

November 04, 2021

Mr. Gregg Colonna
Quality Engineer
Precix
744 Belleville Avenue
New Bedford, MA 02745

Subject: Application #11480 - AMS-CE - Precix - PRI-QPL-AMS7273 - Requalification

Dear Gregg Colonna:

We are pleased to advise you that the information received from Precix has been accepted by the AMS-CE Qualified Product Group in support of your organization's requalification of the following product on the PRI Qualified Product List:

Specification: PRI-QPL-AMS7273 Rubber: Fluorosilicone (FVMQ) High Temperature Fuel and Oil Resistant For Seals In Fuel Systems and Specific Engine Oil Systems

Please note that this qualification is valid until 2024-10-31

As the manufacturer of a qualified product, your organization will appear on the PRI Qualified Products List (QPL) at www.eAuditNet.com. As a condition of your continued qualification, there will be an annual listing fee. In addition to the listing fee, each QPG defines supplemental requirements.

Please note that based on the QPL pricing structure, Precix is being invoiced for the QPL listing noted above. See invoice to submit your payment.

If you have any questions concerning the above, please contact me at PRI Headquarters at 724-772-8647. Thank you for your continued participation in this industry initiative that assures availability of qualified products.

Sincerely,

Wendy L. Grubbs
QPL Development Coordinator
